Cross-country runners raise charity cash

EMPLOYEES from the Surrey-based IT consultancy Ramsac have raised more than £4,500 for charity after taking part in a 10km cross country run.

A total of 11 members of staff joined 1,000 other competitors recently to run either 4km or 10km around the Loseley estate near Guildford in aid of children's hospice CHASE.

"We are delighted to have raised a fantastic £4,500 for

CHASE," said Ramsac managing director Robert May. "They contribute so much to our local community and it is great to be able to give something back.

"We have worked with them for many years and more recently they have provided direct support to one of our own colleagues and his family. We hope that our donation can be used to help other families who find themselves in similar situations."
