

Winner: Ramsac Ltd

RAMSAC has made a bold commitment – it promises to make IT stress free.

Clients outsource all or part of its IT needs to ramsac, who in turn manage, support, and plan technology to ensure customers benefit from stable,

cutting-edge IT solutions, without any of the headaches often associated with managing technology. It offers a range of outsourced services that clients choose from to suit their individual needs. Whether it's support at the end

of the phone, a part-time network manager or help with developing a longer-term strategy,

It has achieved Microsoft Gold status, and is an Investors in People and ISO 9001 registered firm.
