Dan joins the board

Dan May, Operations Director of Godalming's ramsac, the IT solutions consultancy, has been appointed to the Surrey Chambers of Commerce Board of Directors

The Chamber represents over 1,000 businesses in the county,

providing them with information, support, a range of promotional opportunities, a voice to government and specialised services such as International Trade.

Dan said: "I will be working with the other board members to represent the interests of the chambers members and am also looking forward to learning from my peers and gaining from their experience and knowledge"
